

Closing of the Exhibition «With love About Russia»

Today, March 13, 2021, the closing ceremony of the exhibition of our school is held. It seems that only yesterday it started its work at the City Art Museum of Fine Arts, and today it is closing. How quickly time flies! The most important part of the ceremony is rewarding students, teachers, and parents

Teachers of art, biology,

geography, and literature were the first to be rewarded. Our class teacher Elena Yuryevna Smirnova was awarded with a thank-you letter, a book, a badge and a beautiful bouquet of flowers! My classmates and I are proud to have such a class teacher! Next came graduates of the

school who study in different educational institutions of our country and could not be present at the ceremony.

Music teachers, deputy principals, leaders of the clubs of additional education and many other teachers also received their awards. They say: "The reward has found its hero!»

We, journalists of our school newspaper "Plasticine Sky" came next. My classmates and I received thank-you letters and badges. Our work was also appreciated!

It is worth mentioning that the vocal studio "On Seven Winds" presented an amazing performance. The choreographic compositions "Russian Waltz" and "Polechka" produced an amazing beginning and the ending of the event. I would like to thank my class teacher and the staff of my school for giving me the opportunity to participate in such a large-scale and important event for our school. Thank you so much!
